

**City of Morgan Utility Billing Policy 20 – 01:**

The City of Morgan is helping the residents and businesses in Morgan during this difficult time surrounding COVID – 19 by voiding penalties. This will take effect on April 2020 for the March 2020 bill cycle, and will remain effective until a date decided by the City Council.

We will not be charging late fees to residents' accounts during this time. Residents with previous late fees are responsible for paying those off. We will continue to send out our disconnect hangers to remind residents that these charges still need to be paid. We will work with our residents by helping them set up payment plans. They can set these up by calling the City Office. We will urge them to stick with the payment plan as well as they can. Once this is over with our regular fees and disconnections will go into place.

Thank You

City of Morgan  
Lisa Steffl – City Clerk – Treasurer  
Taylor Solie – Administrative Assistant
