---

City of Nielsville Electric Utility

Our plan is to extend the Cold Weather Rule, waive late fees and contact residents to make payment plans. We will follow whatever Governor Walz advises us to do. As there is no date specified our plan will be in effect until April 30<sup>th</sup> unless we hear otherwise. Also, it is easier for me to send email than to try to figure out Docket E,G999/CI-20-375.

Thank you.

Stephanie Abentroth  
City Clerk  
City of Nielsville
