RE: 2020-2034 UPPER MIDWEST RESOURCE PLAN  
APRIL 17, 2019 WORKSHOP PRESENTATION  
DOCKET NO. E002/RP-15-21

Dear Mr. Wolf:

Northern States Power Company, doing business as Xcel Energy, submits to the Minnesota Public Utilities Commission an updated version of the presentation given by E3 at our April 17, 2019 workshop, E3 Modeling Results, part of a series leading up to our 2020-2034 Upper Midwest Integrated Resource Plan filing in July 2019. We note that none of the results or analysis has changed from the presentation provided in our April 18 submission but we did remove some trade secret information.

We have electronically filed this document with the Commission, and copies have been served on the parties on the attached service list. Please contact Amber Hedlund at (612) 337-2268 or [amber.r.hedlund@xcelenergy.com](mailto:amber.r.hedlund@xcelenergy.com) or me at (612) 330-6064 or [bria.e.shea@xcelenergy.com](mailto:bria.e.shea@xcelenergy.com) if you have any questions regarding this filing.

Sincerely,

/s/
